Component Mission

The Office of the Assistant Director of National Intelligence for Policy and Strategy (OADNI/P&S) is responsible for developing and coordinating Intelligence Community (IC)-wide policy; setting IC strategy; overseeing and promoting responsible information sharing and safeguarding; managing the execution of the DNI's controlled access program responsibilities; and advising the Director of National Intelligence (DNI) on initiatives. P&S' overriding aim is to build a more integrated, collaborative, and secure community.

Major Duties and Responsibilities (MDRs)

- Lead and oversee the planning, development, and evaluation of the related strategic planning documents in support of U.S. Government agencies' national security and foreign policy interests and programs.
- Conduct assessments to capture IC progress towards mission and enterprise objectives and assess how well the IC is postured for future environments.
- Advise and engage senior IC leadership on strategic priorities, opportunities, gaps, and interdependencies to link resources to strategy; lead and oversee the communication of emerging strategic issues and trends, independently evaluate against IC strategic elements, and make recommendations for improvements.
- Lead, plan, and oversee efforts to create a culture of strategic planning across the IC by promoting best practices in strategy development, execution, and evaluation and communicating priorities, activities, and impact of the strategy to the IC to promote shared vision, values, and goals.

OFFICE OF THE DIRECTOR OF NATIONAL INTELLIGENCE

L E A D I N G I N T E L L I G E N C E I N T E G R A T I O N

- Lead, initiate, cultivate, and maintain productive working relationships with senior policymakers across the IC in order to coordinate strategy development activities and evolving requirements and promote the implementation of mission and enterprise objectives.

Mandatory Requirements

- Expert leadership experience and analytic expertise to support strategy and policy development, strategic planning and implementation efforts.
- Expert knowledge of IC organizations' missions in order to develop the national-level strategies and policies necessary to support U.S. national security and foreign policy interests.
- Expert ability to conceptualize, organize, and draw inferences from incomplete data and present a compelling analysis of findings and issues; expert ability to identify, articulate, document, and mitigate knowledge gaps or alternatives approaches.
- Superior ability to communicate clearly, both orally and in written reports, and to logically analyze, synthesize, and evaluate multiple sources of information for their inclusion in briefings and written documents.

Desired Requirements

- Superior ability to identify emerging trends and strategic issues and incorporate these in developing strategic plans for the organization.
